

## Letters of Concern\*\*

\*\*A Letter of Concern is defined in A.R.S. 32-1501 (12) as a "Non-disciplinary advisory letter that is issued by the board to a person who is regulated under this chapter and that states that while there is insufficient evidence to support disciplinary action the board believes that the person should modify or eliminate certain practices and that continuation of the activities that led to the information being submitted to the board may result in action against the person's license, certificate or registration."

Name and Designation	License / Certificate Number	Complaint Number	Letter of Concern Issued / A.R.S. Violation	Effective Date
Dr. Eli Ber	01-630	02-034	Insufficient evidence to support disciplinary action: Letter of Concern Issued: A physical exam may not have been consistent with naturopathic standards of practice. Patient's progress should have been monitored more closely. When the patient failed to improve, the treatment plan should have been modified or the patient referred.	9/19/2002
Dr. Murray Dowell	98-538	04-018	Insufficient evidence to support disciplinary action: Letter of Concern Issued: Failure to meet Continuing Medical Education (CME) requirements. It is the physician's responsibility to complete acceptable CME credits.	3/11/04
Dr. Gary Dreger	96-469	99-001	Insufficient evidence to support disciplinary action: Letter of Concern Issued: Lack of pre-examination procedures, range of motion exercises, communication with patient, hospitality towards the patient, past medical history relative to the spinal, cervical and thoracic problems before manipulation is performed.	1/31/2000
Dr. Steven Ehrlich	00-573	04-003	Insufficient evidence to support disciplinary action: Letter of Concern Issued: Prescribed medication to an individual without first conducting a physical examination	9/11/03
Dr. Mario Galaburri	98-540	02-009	Insufficient evidence to support disciplinary action: Letter of Concern Issued. Physician knew or should have known than an unlicensed person in his practice used the protected title "Naturopathic Physician".	12/20/2001

Dr. Laurence Grey	99-558	02-022	Insufficient evidence to support disciplinary action: Letter of Concern Issued. Physician may have signed blank prescription forms and left them where unauthorized persons were able to access them.	4/16/2002
Dr. Andrew Kaufmann, Preceptee	03-2039	04-017	Insufficient evidence to support disciplinary action: Letter of Concern Issued: Use of protected titles of ND and Naturopathic Physician without stating his preceptor status on business card.	2/12/04
Dr. Sam J. Walters	98-528	03-030	Insufficient evidence to support disciplinary action: Letter of Concern Issued: During course of patient care, he did not have adequate contact with a specialist/oncologist The initial patient billing was not specific enough and the billing statements, routinely sent to the patient, contained errors.	12/11/03
